

SYSL U4 Soccer Program Starting Fall 2010

The program is designed by Soccer tots of Long Island to utilize fun games, props, and drills to teach and reinforce basic soccer skills, field boundaries, and coordination. They will have lots of fun learning soccer and improving their soccer skills. This program is meant to be a precursor for SYSL's U5 program.

Who is eligible:

All children born from 8/1/06 to 7/31/07

When:

- Beginning in the Fall 2010 on Sundays likely using early afternoon time slots
- Nine training sessions starting in early September and ending in mid November

Where:

Waverly Avenue Soccer fields

Time:

- 30 minute training session by a professional soccer education company.
- Boys will train with boys, and girls will train with girls.
- Parents are required to stay on sidelines with for the entire session while children are participating.

Cost:

\$50 per player (includes Sachem Tee shirt and insurance)
